A Project Report On

Data Analysis and Mining on

Grocery Dataset from Instacart

in partial fulfillment of

MSc. (IMCA) III [Semester-V]
Savitribai Phule Pune University
Academic Year : 2017-2018

Submitted by

**Priyanka Ghule, 10011
Saurabh Chakrabarty, 10023**

Index

S. No.	Topic	Page
1.	Introduction	1
	1. Objective	2
	2. Problem Definition	3
	3. Scope	4
	4. Hardware & Software Specifications	5
2.	Exploratory Data Analysis	6
	1. Taking a look at the Data	6
	2. Data Analysis and Visualization	8
3.	Market Basket Analysis	17
	1. Core Concepts and Definitions	17
	2. Implementation on R	19
	1. Generate Rules for Apriori	20
	2. Generating new Association Rules	22
	3. Scatter Plot	23
	4. Matrix Shading Plot	24
	5. Parallel Coordinates Plot	25
	6. Rules related to specific items	26
	7. Rules based on specific item(s)	27
4.	Deep Learning with word2vec	29
	1. What is word2vec	29
	2. What is word2vec useful for	29
	3. Implementation in Python	29
	4. Conclusions	34
5.	Limitations	35
6.	Future Enhancements	36
7.	Bibliography	37
